Indicative ARV for Co. Roscommon for 2018 is 0.25

The Valuation Office based in Dublin is conducting a revaluation of all commercial properties throughout Co. Roscommon to come into effect for the year 2018 as part of its ongoing programme to revalue all such properties within the State. As part of this process all Ratepayers in Co. Roscommon will receive a “**Proposed Valuation Certificate**” from the Valuation Office. This Certificate will state the “**Proposed Valuation**” (**Net Annual Value**) for each property which will be entered on the new valuation list and which will be used to calculate each Ratepayer’s liability for 2018 and subsequent years.

The **Proposed Valuation** of the property is multiplied by the “**Annual Rate on Valuation**” (**ARV**) to calculate the amount of commercial rates payable per annum from 2018 onwards. Ratepayers in Co. Roscommon can calculate their estimated rates liability for 2018 by using the indicative ARV set out above.

The ARV is determined by the County Council as part of the budgetary process each year.

The indicative ARV for Co Roscommon for 2018 is 0.25
