Order No. PC 218/12

Subject: Castlerea Local Area Plan 2012 - 2018

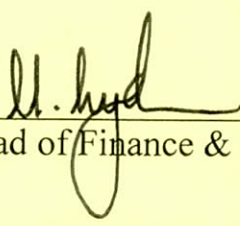

Appropriate Assessment Screening of Land Use Plans

ORDER: By virtue of the powers vested in me by the Local Government Acts 1925-2007

IT IS HEREBY ORDERED that...

I have considered the resolution of the Members of Roscommon County Council at their meeting of Monday 26th March, 2012 to make the Castlerea Local Area Plan, as well as the requirements of the Birds Directive 79/409/EEC and the Habitats Directive 92/43/EEC. The Planning Authority have carried out a screening for any potential impact on areas designated as Natura 2000 sites. From these, I have determined that the above Local Area Plan, would not give rise to significant effect on the integrity of any Natura 2000 site, would not individually or in combination with another existing Land Use Plan be likely to have a significant effect on a European site or on the conservation objectives of any of these sites. I order that this decision and the attached screening report which I have initialled be notified to the "environmental authorities" and that a copy of this decision and the attached screening report be made available for public inspection at the Planning Office of Roscommon County Council during public opening hours and on the councils web site at www.roscommoncoco.ie.
