Signalised junctions are proposed at Main Street/Patrick Street junction and Main Street/R361 junction. Existing pedestrian crossings are to be upgraded on Main Street and Patrick Street and two new pedestrian crossings are to be installed on Main Street. The project involves:

- Traffic Lights
- Pavement works
- Other ancillary works including the provision of traffic signs, road markings, kerbs, street lighting and utility diversions

An Appropriate Assessment screening report and Environmental Impact Assessment screening report in respect of the development have been carried out and are available for inspection. No. 296 of 2018, a person may, within four weeks beginning on the date of the publication of this notice apply to An Bord Pleanála for a screening determination as to whether the development would be likely to have significant effects on the environment. Such a submission should be addressed to the Secretary, An Bord Pleanála, 64, Marlborough Street, Dublin, 1.

Plans and Particulars of the proposed development may be inspected or purchased (at a fee not exceeding the reasonable cost of making a copy) for a period of **four weeks from 28th November 2023** during public opening hours at the offices of Roscommon County Council, Áras an Chontae, Roscommon Town F42 VR98.
