

**ROSCOMMON COUNTY COUNCIL
PLANNING AND DEVELOPMENT ACT 2000 (AS AMENDED)
PLANNING AND DEVELOPMENT REGULATIONS 2001 (AS AMENDED)**

CHIEF EXECUTIVE ORDER

**APPROPRIATE ASSESSMENT OF THE PROPOSED ADDITIONS TO AND DELETION FROM THE RECORD OF
PROTECTED STRUCTURES WHICH FORMS PART OF ROSCOMMON COUNTY DEVELOPMENT PLAN 2022-2028
RELATING TO CARGIN DEMESNE, TULSK (RPS REGISTRATION NO. 02800082)**

Order No: PL/285/25

Subject: Proposed additions to and deletion from the Record of Protect Structures which forms part of Roscommon County Development Plan 2022-2028, European Communities (Birds and Natural Habitats) Regulations 2011 (as amended) European Union (Environmental Impact Assessment & Habitats Regulations 2011 (as amended))

Order: By virtue of the powers vested in me by the Local Government Acts, 1925 - 2024

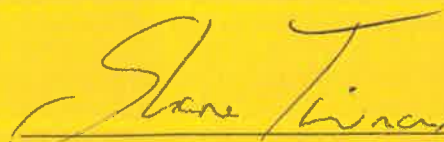

IT IS HEREBY ORDERED that ...

Whereas: Having regard to the Planning & Development Act 2000 (as amended) together with Habitats Directive 92/43/EEC and the Birds Directive 79/409/EEC, a Screening for Appropriate Assessment (AA) Determination is being made by Roscommon County Council regarding proposed additions to and deletion from the Record of Protect Structures which forms part of Roscommon County Development Plan 2022-2028.

Whereas: I have determined that a Natura Impact Report (Appropriate Assessment) is not required for the proposed additions to and deletion from the Record of Protected Structures which forms part of Roscommon County Development Plan 2022-2028 relating to Cargin Demesne, Tusk

In arriving at this decision, I have considered the AA Screening Report and the AA Screening Determination. It concluded beyond reasonable scientific doubt, in view of best scientific knowledge, on the basis of objective information and in light of the conservation objectives of the relevant European sites, that the proposed amendments to the Record of Protected Structures, individually or in combination with other plans and projects, will not have a significant effect on any European Site

I Hereby order: That this decision and the associated Appropriate Assessment Screening Report, which includes a signed Appropriate Assessment Screening Report Determination, be made available for public inspection with the Particulars of the Proposed Additions to and Deletion from the Record of Protected Structures Report at the Planning Office of Roscommon County Council during public opening hours and on Roscommon County Council's web site.

Shane Tiernan,
Chief Executive of Roscommon County Council

Signed on this 10th day of March 2025
