

The map displays the proposed diversion route for the Clooneenbaun Bridge Rehabilitation project. The route is highlighted in green, starting from the N-60 road near Lough Fergus, passing through Ballyglass Lower, Smaghraan, Tonleagee, Lissagallan, Cloverhill, Ballindall, Carrownabrickna, and ending at Rathbrenan. A section of the route between Lough Fergus and Lough Creevin is marked as 'Road Closed' in red. Key locations include Ballymacurly South, Kiltultoge, Gortcloonagh, Smaghraan, Rathconor, Barrows, Mound, Standing Stone, Mul, Lough Fergus, Lough Creevin, Lough Slye, The Hollow, Cams, Rathbrenan, Roscommon Race Course, and Carrownabrickna. The map also shows various landmarks such as the Grave Yard, Reservoir, and Barrows. The legend indicates the Project Location (blue dot), Section to be closed (red line), and Proposed Diversion Route (green line). The map includes a grid system with coordinates ranging from 70 to 86 and 66 to 73.
