Artist Registration Call-Out and Commemorations – Culture Night Commission €5,000

Culture Night 2024 will take place on Friday 20th September from 5pm till late.

We are delighted to open the call out for Culture Night Roscommon 2024 and seek artists of all art forms to register expressions of interest to participate in this year's programme.

Culture Night is a national moment celebrating culture, creativity and the arts, and seeks to actively promote the belief that this rich and varied culture is alive, treasured and nurtured in people's lives today and every day. All events are free of charge.

A similar call out will be made to Roscommon cultural venues who would like to participate, and pairings can be made between venues and artists if this is not already indicated.

Celebrating culture on Culture Night includes celebrating the arts, knowledge and stories, language, traditions and rituals, techniques and skills, food and drink, shared values and sense of community.

This registration process is for Roscommon-based artists who wish to be included in the Culture Night Roscommon programme. The process is only open to artists willing to be paired with dedicated cultural venues; these include galleries, theatres, libraries, historical houses, museums, parks, community centres, churches and artist studios.

Geographical spread will be considered when allocations are assessed. Depending on the level of interest, the value of funding is likely to be in the region of €250 - €500 per artist/venue.
