Roscommon Venue Call-Out

Culture Night 2026 will take place on Friday 18th September from 4pm until late.

We are delighted to open the call for Culture Night Roscommon 2026 events and now seek expressions of interest from cultural venues who would like to take part in this year's programme.

Culture Night is a national moment celebrating culture, creativity and the arts, and seeks to actively promote the belief that this rich and varied culture is alive, treasured and nurtured in people's lives today and every day. All events are free of charge.

A similar call out will be made to Roscommon artists and cultural practitioners who would like to participate, and pairings can be made between venues and artists if this is not already indicated.

Culture Night celebrates the arts, knowledge and stories, language, traditions and rituals, techniques and skills, food and drink, shared values and sense of community.

This registration process is for Roscommon cultural organisations who wish to be included in the Culture Night Roscommon programme. The process is only open to venue-based organisations. The types of venues/locations that can apply include, but are not limited to, indoors/outdoors events at galleries, theatres, libraries, historical houses, museums, suitable outdoor spaces, community centres and artist studios.

Funding is limited for this venue call-out and geographical spread will be considered when allocations of support are assessed. Depending on the level of interest, the value of funding is likely to be in the region of €250 - €500 per event.
