

Creative Youth Art Week Info !

Your town. Your ideas. Your creativity!

We are looking for young artists or creatives interested in learning about creative ways to engage in Ballaghaderreen!

Want to explore Ballaghaderreen through photography, clay, drawing, mapping and creative experiments? Join a team of young creatives for a free week of making, sharing and exploring ideas.

The Creative Youth Week is hosted by three amazing local artists, Tuesday, Elisha and April. It will be co-hosted on two days by the Artists 'Sparkcatchers!' from Tuam, an exciting youth art duo who will share their joy and creativity. Let's make art and meet other creative people!

Places on the Creative Youth Week will be given to the youth who live **IN** Ballaghaderreen or the immediate surrounding areas. We have **16 places** only, and we would like to know why you'd like to come! To apply for a **FREE** place, you can write / draw/ or send a video with a response to these 6 questions – **you can use your imagination!**

1. Why I want to attend this Creative Youth Week:
2. What being creative means to me:
3. Where I live:
4. My age:
5. Do you have any access needs or anything we should know about?
6. Can you attend the full 5 days?
