Other Councillors—

The Chief Superintendent, Civic Guard, Roscommon, forwarded under date 18/12/23 reports in connection with malicious injury claims made by Dr. Bain in regd to a motor car.- Roscommon County Board of Health respecting Frenchpark Dispensary Buildings.- and Lord De Freyne for a dam, sled gate and wall.

Order: Referred to Council's Solicitors.

Letter read from Messrs Fitzgerald & McCormack, Solicitor, giving notice of withdrawal by Mr. W. J. Frazer of his appeal in malicious injury claim.

Letter dated 3/1/24 from Messrs O'Donnell & Co Solrs. that the Council were not interested in Mr. Frazer's appeal.

Order: Rd received.

Letter dated 9/1/24 read from Joe McCormack. that Mr W Madden Dr. was drawing salary as Caretaker of Kilmain Graveyard and that the matter should be stopped.

Order: Thomas Doherty is caretaker of this Burial Ground, and he is the only person paid salary as Caretaker.

The Minutes of last Meeting were read and signed.

Mr P Mulligan Supt wrote under date 10/1/24 relation to the necessity for enlarging Kilcolman Burial Ground.

Order: Consideration deferred to 9/2/24.

Mr. J Corrigan M. brought under the Council's notice the urgent need of repairing Kilmeane Burial Ground Boundary wall.

Order: Mr. Leech, Engineer, to furnish specification and estimate.

The Clerk reported that a sum of £2 wages due by her former employer to Bridget Boyle, a hired out girl, who went to America in 1917, was in his hands for some time.

Order: To be lodged to Council's credit.

The Clerk's estimate and demand for year ending 31/3/25. was laid before the Council this day £12/6. for repayment of loans, £N 2 24 for other General Charges. & £N 448 for other Separate Charges.

Proposed by Mr. E. Horan, seconded by Mr. W. Hafferty, and unanimously resolved: That the Clerk's estimate be adopted, the amount for No 4 Separate Charge (Castlegregory Lighting) being reduced from £N 120 to £N 60 (Certified copy of Estimate enclosed with Minutes).

Letter dated 8/12/23. No P. N. (48053/23) read from Ministry of Local Government, referring to Clerks letter of 13/11/23 and stating that the specifications for repairs at Cloonard and Ballyphadureen Burial Grounds appear to be in order. With regard to Kilmurry Burial Ground, it is marked on the Ordnance Map as a proposed site, and it is not clear whether it is intended to acquire the land by agreement or otherwise or whether it has already been acquired. If not already under the Council's control, it is suggested that the provision of 682 graves is excessive for a country burial ground. The paths marked with X in blue on the Plan (which is returned) might be omitted and the other minor paths be left as grass paths.

Order: Tenders to be invited for repairs at Cloonard and Ballyphadureen Burial Grounds for 9/2/24.

The site for Kilmurry Burial Ground was originally offered to the Council, by the owner, free. It has since been vested in the Congested Districts Board, and as there has been litigation over the question of a right-of-way to it, the Council have now decided not to proceed any further in the matter of providing a burial ground for the locality concerned.

Letter dated 28/12/23 (No P. N 52948/23) read from Ministry

of Local Government, returning plan &c, relating to Ballintober Burial Ground extension, and pointing out that, in view of the importance of economy in local expenditure, the Council might give further consideration to the necessity of undertaking. They give suggestions as to pathways &c, and recommend the reduction of the estimate to £75. The sum of £70 for the purchase of the land might very well be reduced to £25.

Order: The Council consider the proposed extension necessary. The matter of the paths to be referred to Mr. Leech Enghean, Mr Kelly owner of the land, to be informed that the Ministry's views on the purchase price of the site, and to be asked for his views thereon.

The Treasurer forwarded notification of transfer of £700 by the Roscommon County Council to Council's credit.

Order: Read

A letter purporting to be from the Brandahan Branch of the Farmer's Union, on the subject of the claim made for damage to Castlerea Workhouse owing to its occupation by British Military was laid before the Council, but, as it bore no signature, it was not considered.

The Secretary Roscommon County Council forwarded under date 7/12/23, copy of provisional declaration and scheme for maintenance of the roads in the County Roscommon by direct labour for the three years ending 31st March 1927.

It was proposed by Mr E. Moran, and seconded by Mr. P. Beckett: That the Provisional Scheme be approved as it stands.

Proposed by Mr W. Hafferty seconded by Mr P. Dyar. That the Scheme be approved, subject to the employment of three whole time District Surveyors, provided the cost of the three whole time officers, including pensions or gratuities of those whose services may be dispensed with, does not exceed the total salaries and emoluments at present paid to the five existing surveyors,

On a poll being taken, Mr Hafferty's amendment was carried by 6 votes to 3 recorded for Mr Moran's resolution

Mr W. Hadden did not vote,

Mr P. J. Beirne P.C. forwarded under date 8/1/24. a proposal to include in Direct Labour Scheme the maintenance of one mile of road between Moran's, Boherbee, and Tawey's Bog Gate.

No apprentice, in addition to the three now engaged to be employed. Copy of receipt and expenditure for year ended 30/9/23 to be furnished to Committee by Clerk of Council. The Committee considers there should be no change on rates for lighting in coming year.
Order: Adopted: Particulars of receipt and expenditure has been furnished to Committee. It is estimated that a sum of £58 will be required to be raised from the rates in coming year for the purposes of Ballyphadereen Lighting.
Messrs Joseph M'Donagh & Land. Ltd. Insurance Brokers wrote under date 19/12/23 that the premium for fire insurance of Ballyphadereen electric power houses would be 2/6 to 3/- per £100, and that the Hibernian Insurance Co would have a survey made early in the New Year.
Order: Referred to Ballyphadereen Lighting Committee.
Messrs Donnell & Co, Council's Solrs, wrote under date 3/1/24 that the British War Office had informed them, in reference to Council's claim for damage to lamp standard by a War Department lorry at Ballyphadereen on 13/2/21, that, owing to delay in submitting claim to them, they had no alternative but to repudiate it, as, despite exhaustive inquiries no record of the matter could be traced, nor was there any prospect of obtaining evidence on the subject.
Order: The Council beg to state that the matter of the damage done first came to their notice on 29/3/22, and on same date full particulars of the claim were forwarded to the Secretary Roscommon Co Council at the same time as the claim for damage to Parkhouse by British Military for transmission to the proper Department. As there was no result from this action, the Council subsequently placed the matter in their Solicitors hands. The Electrician at Ballyphadereen took the identification number of the lorry which

which did the damage (this number was given in the claim). and can prove the damage done. The Council, therefore, request the Solicitors to communicate again with the British War Office and point out these matters to them.

~ Letter dated 3/1/24 read from Messrs McConnell & Co. Solicitors, that Messrs Connolly Bros had appealed against County Court Judge's decision in their malicious injury claims, but that the Council were not interested in the matter, as the alleged injuries occurred prior to 12/5/23.

Order: Received.

Salaries for year ended 30/9/23.

Order: Read.

Circular letter dated 12/3/24 (No. 10.694/24) read from the Ministry of Local Government, quoting Sec 9 of the Local Government (Temporary Provisions) Act, 1923, under which the administration of the Vaccination Acts, where a Board of Guardians is abolished by any County Scheme, is transferred to the Council of the County Borough, or Urban, or Rural District as the case may be.

Letter dated 18/3/24 (P. N. 14.145/24) read from Ministry of Local Government, referring to Minutes of 8/3/24, relative to proposed transfer of Cultybo Burial Ground, and requesting to be furnished with a statement of the circumstances under which this Burial Ground became vested in the Council. They suggest that the Council might consult their Solicitor generally with regard to the legal aspects of the case.

Letter dated 8/4/24. (P. N 14872/24) read from Ministry of Local

Government, forwarding copy of a letter from Mr S Harris relative to Frenchpark Sewerage Scheme, and requesting the Council's observations thereon.

Letter dated 11/4/24 read from Mr M. J. Leech Engineer in charge of Frenchpark Sewerage Scheme, noting Mr S Harris's remarks in letter to Ministry, and stating that, for some time past, he has directed contractor to sound the ground with a view to alternative line of pipes to the rear of Market Square, and he has also been in communication with Land Commission Inspectors on the matter. He never heard a complaint from Mr Harris or any other resident of Frenchpark in regard to blasting operations, although the trench for the main sewer which is near Mr Harris's had to be blasted for its entire length. The estimate of £400 referred to in Mr Harris's letter, is absurd. He (Mr Leech) is experiencing great difficulty in carrying out the scheme, and if he were to agree to everyone's suggestion the sewerage would never have been finished. If the alternative line does not suit as to levels, &c, he will have to go on by the Market House, as arranged years ago when the scheme was proposed and when people had an opportunity of objecting.

Order: This matter is left in the hands of Mr Leech Engineer, to do what is best, in the circumstances

Letter dated 11/4/24 (E/383/24) read from Ministry of Local Government, returning loan application form relative to Castlerea Waterworks and requesting that the information and documents specified on Page 2 may be furnished

The following Accounts of Expenses incurred under the Sanitary Acts were laid before the District Council, viz. :—

	letter dated 11/4/24 (P.H. 1527/24) read from Ministry of Local Government, referring to minutes of 8/3/24. on the subject of Ballintober Burial Ground extension and stating that at present £70. or £80 per acre P.H.M. is the ordinary market price of land. In view of the favourable position of the plot and the fact that the owner has not put it on the market, they would regard a rate of £150 per acre P.H.M. as the maximum which could be treated as reasonable The calculation of the purchase money for inclusion in the convey ance should be arrived at on the certificate of the Council's Engineer.			
	Order: The Council agree to pay Mr. James Kelly for the plot required			

and the "Treasurer's Authority for making payments" for the respective amounts was duly signed (or directions were given thereon as follows):—

The following letters from the Local Government Board for Ireland and others were read and directions given thereon as follows :—

required at the rate of £150 per Irish Acre. The calculation of the purchase money to be arrived at on the certificate of Mr. Leech, Council's Engineer, letter dated 14/4/24 (P. N. 14815/24) read from Ministry of Local Government, in reply to Clerk's letter of 27/3/24, that sanction is not required to payment of balance of salary due to the late Mr. Patrick Mulligan to the date of his death. If the Council are in doubt as to the course proposed by his widow, it is open to them to obtain legal advice.

Order: Balances to be paid to Mrs Mulligan, widow, as already ajud.

~ Letter dated 14/4/24 (P.N 14301/24) read from Ministry of Local Government referring to Clerk's letter of 27/3/24, and requesting copy of contract or other statement defining services to be rendered in connection with the care of Ballinghadreen Waterworks

Order: Answered by Clerk on 29/4/24

~ Letter dated 16/4/24 (P. N. 6272/24) read from Ministry of Local Government referring to their letter of 23/2/24 with regard to Ballinlough Sewerage, and inquiring how the matter stands.

Order: Answered by Clerk on 17/4/24.

~ Letter dated 24/4/24 (P.N 17981/24) read from Ministry of Local Government acknowledging receipt of Clerk's letter of 17/4/24 and pointing out that the necessity for a proper sewerage system at Ballinlough has been repeatedly emphasised by the Medical Officer of Health, and that the proceedings of the Council in formulating arrangements for the purpose are sufficient evidence that the need has been admitted. They are of opinion that further postponement of the work cannot be justified, and the Council would be well advised to deal with the matter without delay.

The following resolution on the subject was read from the ratepayers of Killulagh Parish:-

We, the ratepayers of Killulagh Parish, strongly and emphatically protest against the tax sought to be imposed on us in connection with Ballinlough drainage Consideration

considering the abnormal economic conditions existing at present, with the cost of living so high, and the price of farm stock so low, and with the poor man's principal industry - pig-rearing - practically wiped out, we are surprised that anyone would be so unreasonable, so unkind, as to try to impose this additional burden on the poor. It is well known that many people won't be able to pay even the ordinary rates this year. And then there are very many too who, at present, are unable to feed and clothe their families properly. Indeed some are so destitute that their sense of decency alone prevents them from crying out for bread. The Ballinlough shopkeepers know this and feel it to a certain extent, and they would feel it more keenly were it not for American money. And so it is astonishing that justice and charity would not urge them to refrain from making these demands at present for a matter which really is not pressing. Under the circumstances, we feel we should seriously and firmly impress on our Council the injustice of granting this claim; and should they grant it notwithstanding, we earnestly appeal to the Local Government Ministry not to sanction it.

A member of a deputation which attended the Council meeting to protest against a scheme of Sewerage for Ballinlough, on behalf of the ratepayers of Killeagh Parish, informed the Council that he had in his possession the signatures of 500 ratepayers to protest opposing such a scheme."

Order: That the attention of the Ministry of Local Government be directed to the foregoing resolution, and that they furnish the Council with their views thereon.

Next Meeting of the Rural District Council to be held on Saturday the 14th day of June 1924.

Order. To be informed that Messrs McDonnell & Co, Council's Solicitors will accept service of writ.

Ballaghaderreen Electric Lighting Committee: Meeting held 22:5:24. Re Ampere Electrical Co's threat of writ for re-winding Armature:
Resolved: That the Armature, after 6 years of satisfactory work, required re-winding. It was sent to the Ampere Co, who returned it, re-wound, after one month. It was then pointed out to Mr Cantwell, their representative that the machine would not run as formerly connected. The connections were then changed and brush-gear shifted, when it ran in a very defective manner, as was pointed out at the time. Mr Cantwell and Mr Lawless, Consulting Engineer, considered it might improve. There was no improvement, with the result that a new Armature had to be purchased at a cost of £39. It was next represented to Mr Cantwell that the Committee would send the Armature to the makers, the expense thus incurred to be deducted from the Ampere Co's Bill. Mr Cantwell, in reply, asked to have it sent to him, Carriage forward, and that the man "who made the mistake in connecting the windings would have to rectify it" The Committee have not heard since directly or indirectly - from the Ampere Co till it received a threat of legal proceedings.
Resolved: That, as the existing turbine at Lungs Power House has been always unsatisfactory and is in danger of ceasing to work in the near future - A new 100 horse-power turbine be erected. The Committee was unanimously of opinion that the tender of the Vickers Co at £1349 be accepted, to be paid out of revenue which is on the increase and will be much more so when supply is greater. It was agreed that the rate for public Lighting should be 9/= in the £.
Order: Adopted. Rate for public lighting for current year was fixed before Committee's meeting on 22/5/24.
Ballaghaderreen Lighting Committee. Meeting held 29/5/24. It was unanimously resolved that the Ampere Electrical Co be

notified that ~~balance due~~ if the Armature sent them for a change in winding up is not returned within 14 days of this date, carriage paid, &c., according to Agreement, a writ will be served on them without further notice

As regards claim of Mr Lawless, Engineer, for £3 balance of fees, the Committee request that he be notified that balance due him cannot be paid until he completes his work by sending a certificate approving or condemning Armature re-wound by the Ampere Electrical Company.

Order: Adopted

~

Letter dated 4/6/24 read from Mr. Lawless, Engineer, re balance of fees that he had arranged with Mr. Drury, Electrician, to report in due course on working of Armature re-wound by the Ampere Company, but he did not receive such report. He never agreed that the Ampere Company should be called in at all to carry out repairs in view of all the trouble caused when the tenders for the original scheme were decided on.

Order: Referred to Ballaghaderreen Lighting Committee

Order: Received

~

Applications were made by or on behalf of the following persons to be sent for special treatment to Dublin Hospitals: Michael Egan, Maryston, Tarsen, Mary Kate Flanagan Lecarrow, Tarsen, James McDermott Bracklon Woodland, Mrs Ellen Kelly The Cottages, Castlerea, Mrs Annie Kenny The Cottages, Castlerea, and Patrick Flynn, Fourpill, Castlerea
Orders: That tickets of admission to Dublin Hospitals be obtained by the Clerk for each of the above-named patients. All patients must bear their own travelling expenses. The Council propose to remit the cost of maintenance in all cases, except in that of James McDermott, whose father is to contribute at the rate of 10/- per week under this head. In the case of the other patients the Council are quite satisfied, after due enquiry into the circumstances of each patient, that they are unable to repay any portion of cost of maintenance, and that the travelling expenses are sufficient burden to impose on these poor people. (List of Queries relating to each of above patients, duly answered and signed by the Dispensary Medical Officer and by the Clerk, are enclosed with Minutes).

Order: The Council defer consideration of this matter for the present, being on the eve of important changes in Local Government they do not consider the time opportune to deal with this subject.

Letter dated 12/7/24 read from Mr M. J. Leech Engineer, returning tenders for cottage repairs referred to him

Mr John Drury's tender for No 36A & 47A, Carn, is too high. especially in the case of No 36A. Contractor should be asked to reduce his tender and to include the other three cottages in that townland. the

other three cottages in 2A Barnaboy & No 62A Rathkinely should be accepted.

Order: Mr John Kenny to be asked to reduce his tender and to include remaining 3 cottages in Arm. Otherwise fresh tenders to be invited for 11/10/24. Mr Francis Neary's tender accepted for repair of cottage No 2A Barnaboy. @ £15:10:0 and 62A Rathkinely at £20.

Letter dated dated 13/9/24 read from Mr Jeuch Engineer, that he had inspected the repairs being carried out to six labourers' cottages at Ballyhadoreen, for which Thady Kenny has the contract. The plastering is coming off the exterior of the walls, and to save the cottages from dampness, deterioration &c he would recommend that these cottages be cemented on the outside. This work is not included in Mr Kenny's contract. When he (Mr Leech), asked some months ago, to have this work included in the specification, the Council considered it would be too costly, and directed that none but urgent repairs should be done. He estimates that it would cost about £18. to cement plaster each house. The tenants state that they will not pay rent if this work is not done.

Letters on the same subject were read from the Contractor, Mr T. Kenny from the Rent Collector, M. Finn, and from Mrs Coleman one of the tenants.

Order: That the Ministry of Local Government sanction as soon as possible, in view of the near approach of winter the expenditure of a sum not exceeding £18 per cottage to cement plaster each of the six cottages for which Mr T. Kenny has contract for repairs.

Letter dated 13/9/24 read from Mr Leech Engineer, that Mr James O'Grady has failed to repair labourers cottage at Seamor, he has done little or nothing with cottage at Rathnalulleagh, and he Mr Leech is not satisfied with work done at Ballymaplaney

He finds it hard to get the work done himself, and would ask that tenders be invited for completion of the work.

Mr James Grady Contractor for repair of above cottage wrote under date 23/10/24, that he had completed repairs at Ballymaglancy cottage, and would finish Rathnalulleg Cottage after 2 days work. He notified Mr Leech, Engineer, to inspect Ballymaglancy cottage and advance some money to enable him complete the other two cottages. (Mr Leech did not reply)

Order: These cottages have long since been taken out of Contractors hands, owing to his failure to complete the contract for repairs. The Council now order tenders to be invited for 11/10/24 for completion of repairs of these cottages.

A tender at £10:12:6 for repairs of cottage No 97. Carrowndangan. received from Mr Patrick Cunningham, was rejected, being too high. Fresh tenders to be invited for 11/10/24

Mr J Silke, Cottage Rent Collector, reported under date 12/9/24. that the following cottages needed repair:- No 5A Gortnaspyne, 124 Glenela, 133 & 141 Rusheen, 39. 41A. & 42A Aun, 62 Rathkineely; 126 Lisdoway. 35 Seamore. 27 & 111 Carrowduff. Michael Horan tenant of cottage No 170 Aun has left. His brother-in-law. John Coyne, would be a most suitable tenant.

Order: Mr Leech, Engineer, to furnish specification & estimate for repairs of cottages 5A Gortnaspyne. 124 Glenela; 126 Glenela, Lisdoway: & 111 Carrowduff; Fresh tenders to be invited for 11/10/24 for remaining cottages. John Coyne selected as tenant of labourer's Cottage & plot No 170 Aun.

Rent Collector Finn reported that John Hopkins, tenant of Cottage 73. Ballynaphter, had gone to a home for consumption; and 6 Sheridan, tenant of cottage 12. Cultybeo, is prepared to repair fire-place in his cottage at his own expense, ~~and Hopkins, tenant of cottage 12. Cultybeo. is prepared to repair fire~~

~~fire place in his own cottage at his own expense.~~

Patrick Hopkins, tenant of cottage at Boorshanville, wants to know if the Council will compensate him for damage to crop owing to plot not being drained.

Order: Rent Collector to ascertain present address of John Hopkins, and to find out if he is likely to re-occupy the cottage; meantime no rent to be debited against this tenant. Repairs of Cultybo cottage referred to Mr. Leech, Engineer.

The Clerk reported as follows: The rent arrears in Collector Silke's (No 3) Collection District, amounted to £106:18:6 at 31st July last, and £107:2:2 at 31st Ultimo. Steps should be taken to put collection on a satisfactory footing.

Order: Collector Silke to proceed immediately against tenants owing the arrears, and to be notified that he will be held responsible for any sums not recovered which can be shown to have been due to negligence on his part.

The following letters from the Local Government Board for Ireland and others were read and directions given thereon as follows :—

Letter dated 18/9/24 (P.N. 42, 935/24) read from Ministry of Local Government, referring to Minutes of 13/9/24, and pointing out that in the circumstances as disclosed it would appear that Mrs Annie Kenny might obtain suitable treatment in the County Hospital. They see no objection to proposal to provide special Hospital treatment in the cases of Michael Egan, Mary Kate Flanagan, James J. McDermott, Mrs Ellen Kelly, and Patrick Flynn.

Letter dated 20/9/24, read from Dr. O'Donohoe, Medical Officer, Castlerea Dispensary District, that Mrs Annie Kenny had been already treated, both at home and in the County Hospital without any beneficial result, and the only hope of effecting a cure was in a course of electrical treatment, which could be given only in one of the Dublin Hospitals.

Letter dated 27/9/24. (P. N. 44254/24) read from Ministry of Local Government, in reply to Clerk's letter of 24/9/24, stating that, in view of the explanation now given, they see no objection to Council's proposal to provide special hospital treatment in the case of Mrs Annie Kenny.

Letter dated 7/10/24 (P. 43187/24) read from Ministry of Local Government, referring to Minutes of 13.9.24. relative to Castlerea Water Supply, and stating that it appears doubtful if the remedies proposed will sufficiently increase the water supply to the town. The head available for the delivery main from the springs is very small (5 in 5550) and if present source of supply is retained much larger pipes than those contemplated must be installed to provide an

an adequate supply. The Council would be well advised to seek another source which would give adequate head as the fall from the present source (1 in 1110) is scarcely sufficient to keep the water ever in sluggish movement.
Order: Referred to Mr. Leech. Engineer.

Mr. James Montgomery applied under date 12/9/24, for 10/- for burying the Carcase of a donkey found on public road in July. 1923. He was instructed to do the work by the Sergeant of the Civic Guard.

(List of queries answered and signed by Clerk and Dispensary Medical officer enclosed with Minutes)

Letter dated 22/11/24. (No. P. 45/501/24) read from Ministry of Local Government, forwarding copy of a further complaint from inhabitants of Ballinlough with regard to the need of improved arrangements for sewerage, and requesting that the Council will come to a decision on the matter without delay. Pointing out that the Clerk, in his capacity as Executive Sanitary Officer, should see that all necessary information is available for the Council at their next meeting, and, if he cannot at once procure the report of the Committee to whom the question was referred, arrange with the Council's Engineer to visit Ballinlough and fully describe the requirements of the village in regard to sewerage, for the Council's guidance.

A report signed by two members — Messrs. P. Dyas and W. Lafferty — of the Committee appointed to report on existing facilities for drainage of Ballinlough, was also read (copy enclosed with Minutes)

Copy of a resolution passed at a meeting of the ratepayers of the town of Castlerea, held on 9/12/24, was submitted to the Council, protesting against any part of the cost of providing a sewerage system for the town of Ballinlough being chargeable upon the ratepayers of the town of Castlerea. The people of Castlerea have borne the cost of providing and maintaining a sewerage system and waterworks without seeking the aid of any other part of the Rural District. It is most unjust that Castlerea should now be saddled with the cost of sewerage system for Ballinlough, and every effort to impose such a charge will be strenuously opposed, the ratepayers of Castlerea town demand that they be excluded from the area of charge fixed by the late Local Government Board in 1906

The Clerk reported as follows:-

As the Committee's report on facilities for drainage of Ballinlough was signed by only two of the five members appointed, I omitted Mr. Leech. Engineer on 26/11/24

to visit Ballinlough and describe fully the requirements of the village in regard to sewerage.

On a poll being taken, this resolution was defeated by 8 votes to 2 recorded in its favour. Mr A Keaney did not vote.

It was proposed by Mr M. Jennings and seconded by Mr J. Gavin That no further steps be taken to provide a sewerage scheme for Ballinlough.

On a poll being taken this resolution was carried by 8 votes to 1 recorded against it. Messrs P. Ryan and A Keaney did not vote.

(No. 53.287/24) read from Ministry of Local Government, referring to Minutes of 8/11/24, relative to proposed improvement of Castlerea Waterworks, and requesting to be furnished with a report from the Council's Engineer as to whether he considers that laying of a 9" main would provide sufficient water for the inhabitants of the town. 	Mr. M. J. Leech, Engineer, submitted specification for repairs of boundary wall of Kilkeevan Burial Ground at estimated cost of £12 : 10 : 0 Order: Approved subject to sanction of Ministry (Specification enclosed with Minutes). Letter dated 19/12/24 (No. P.H. 57,855/24) read from Ministry of Local Government, referring to Minutes of 13/12/24, and stating that there would seem to be no objection to the employment of a caretaker for Ballintober Burial Ground with remuneration at the rate of 30/- a year. Order: That Patrick Lavin be paid 30/- for caretaking Ballintober Burial Ground for year ended 31/12/24. and that his services as caretaker be continued as from 1/1/1925 at the same rate of remuneration viz 30/- a year. Letter dated 31/12/24 (No. P.H. 59/424/24) read	

---

and the "Treasurer's Authority for making payments" for the respective amounts was duly signed (or directions were given thereon as follows) :—

The following letters from the Local Government Board for Ireland and others were read and directions given thereon as follows :—

from Ministry of Local Government, stating that they see no objection to the proposed special hospital treatment of Francis Hayden.
Order: Received.

~~Letter dated 29/12/24. (No 46778/24) read from Ministry of Local Government, stating that they see no objection to the proposed special hospital treatment of Francis Hayden.~~ By
~~Order: Received.~~

Letter dated 29/12/24. (No 46,778/24) read from Ministry of Local Government adverting to Council's Order of 13/9/24, relative to charge of £34:2:6 made by the Auditor against Rent Collector Silke, and requesting to be furnished with a copy of Collector's explanation as to his delay in lodging the amount charged against him.
Rent Collector Silke's explanation of 31/12/24 (copy of which was sent to Ministry of Local Government on same day) was also read.
Letter dated 21/1/25 (No 1 63/25) read from Ministry of Local Government, referring to Clerk's letter of 31/12/24, relative to charge of £34:2:6, made by Auditor against Rent Collector Silke, and stating that the Rent Collector's explanation should be submitted to the Council, and their views thereon furnished to the Ministry.
They observe that the Council as far back as 13/9/24, made an order calling on the Collector to furnish this explanation, the statement is dated 31/12/24. and apparently was only furnished as a result of a communication issued from the Ministry on 29/12/24. Obviously there is need for the Council to see that orders of this nature which are made by them, are complied with more promptly by the officials to whom they are directed.
Order: The Council are satisfied as to the accuracy of the statements in Collector Silke's explanation, but they consider that he should showed great negligence in not furnishing the explanation earlier, having regard to the fact that the Clerk made three applications to him for it.

Letter

Letter dated 3/1/25 (No P.N 53.844/24) read from Minister of Local Government, forwarding for Councils consideration, extracts from Medical Officers Returns. Form I for Ballinlough, Castlerea, & Frenchpark Dispensary Districts for half-year ended 30/9/24.
Order: Caretaker to report as to repairs required to Ballinlough Pump. Council are dealing with Castlerea Water-Supply, County Surveyor's attention to be drawn to Castlerea footpaths, Frenchpark Sewerage referred to Mr Leech Engineer.

Letter dated 15/1/25 read from Minister of Local Government (No 696/25) referring to Councils Minutes of 13/12/24. relative to scheme for improving Castlerea Water supply and recommending provision of cast iron supply pipes, as the use of concrete or steel pipes would be attended with a certain amount of risk owing to the action of peaty water on materials of either of the kinds specified. The Council should submit a fresh estimate providing for cast iron pipes and make application for a loan sufficient to cover all costs and contingencies.
Order: Referred to Castlerea Waterworks Committee.
Letters dated 20/11/24, 1/12/24, & 15/12/24. read from Mr J Bruen Caretaker, Frenchpark Waterworks, that the Civic Guard had now signed agreement for water supply; that water was turned on to the premises of Mr Joseph Murray on 1/12/24; and that a flushing tank in Mr J Murray's yard appeared to be wasting water.

That the Council be asked to approve of Mr Leech's specification and estimate, and impress upon the Ministry the absolute and urgent necessity of having the work immediately carried out, a number of men are out of employment in this locality, and some of them at least would find employment if this work was started. The sanitary condition of the town is in such a bad way that fever, or some such disease, may break out, There is a constant dread of fires, for, if such occurred, the town would be completely at its mercy.

The caretaker reported that the L.A. Pumping Plant required a new piston for the pump, The Committee recommend that a new piston rod complete, be got from the Makers Messrs Glenfield and Kennedy.

That Mr J. Kellon's services as Sewerage Caretaker be discontinued, and that the Inspector of Sewerage get the Sewers at Mr McDonagh's looked after and cleaned; and that men be employed to clear the sewer tanks when necessary.

There was under consideration this day the Local Government Ministry's letter of 29/6/25 (No. P.H. 30, 307/25) - adjourned from meeting on 8/8/25 - forwarding reports from Medical Officer of Health, Ballaghaderreen, on the condition of Ballaghaderreen Sewerage, and the need for closing the old Burial Ground at Ballaghaderreen.

A letter was read from Mr. Gerald Cunniffe, Ballaghaderreen, impugning the accuracy of the report of the Medical Officer of Health on the condition of his (Mr. Cunniffe's) slaughterhouse.

Order: These matters refered to Ballaghaderreen Waterworks Committee.

There was under consideration this day the election of a Sanitary Sub-Officer for Ballaghaderreen Sanitary District, at £8 a year, and Sewerage Inspector for Ballaghaderreen Town, at £20 a year.

There was only one application received - that of Mr. Thomas P. Shiel, of Ballaghaderreen.

It was proposed by Mr. P. J. Waters, seconded by Mr. P. J. Jordan, Chairman, and unanimously resolved: That Mr. Thomas P. Shiel be elected Sanitary Sub-Officer for No. 1 (Ballaghaderreen) Sanitary District, and Sewerage Inspector for Ballaghaderreen Town, in accordance with the terms of advertisement, and subject to sanction of Ministry of Local Government & Public Health.

Dr. W. Donnellan, Medical Officer of Health, Ballinlough District reported that the dwellinghouses of the following persons needed limewashing and general cleaning:- Thos. Knight, Grange; P. Flynn, Senr., Clooncava; John Moran, Clonarkin; M. Cosma, Clonarkin; F. Farren & Redmond Fleming (Tom), both of Gurteen. Complaints have been received that Ballinlough Courthouse is inhabited and is in an insanitary condition. The Courthouse being in ~~an insanitary~~ a sanitary condition, the inhabitants can dwell there without danger to the Public Health. Labourers' Cottages, with a proper drainage system attached, are urgently required in the area.

Order: Notices to be served to have above-mentioned premises limewashed.

Mr. Leech, Engineer, submitted certified account for payment of £20 Mr. W. J. Watt, Plumber, for repairs to Castleplunket Pump.

Order: Returned back to Mr. Leech for re-consideration.

Mr. Leech, Engineer, submitted bills for fees, as follows, for professional services:-

	£ : S : D.
Ballintober Burial Ground Extension	18 : 6 : 0
Kilcolman do. do.	11 : 11 : 0
Ballaghaderreen Sewerage Repairs	8 : 13 : 0
Glenvela water Supply and Fencing Cottage Plots at Arm	5 : 5 : 0.

Order: The following amounts recommended for payment:- Ballintober Burial Ground Extension, £16; Kilcolman Burial Ground Extension, £10:10:0; Ballaghaderreen Sewerage Repairs, £7:7:0; Glenvela water Supply and fencing cottage plots at Arm, £5:5:0.

The Clerk reported as follows:- I understand that the Ministry of Local Government & Public Health have forwarded to County Council sanction to loan required for improvement of Castlerea Waterworks. In order that the scheme may be proceeded with, the Ministry should be asked to return amended plan, specification, and estimate forwarded with the Minutes of the Castlerea Rural District Council of 13th June last.

The Ministry should also be asked to sanction plan, specification, and estimate of boundary wall and walks of Ballintober Burial Ground extension, which were sent to them with the Castlerea Rural District Council's Minutes of 8th march, 1924.

Mr. Leech, Engineer, has refused to accept £6.6:0 fee in discharge of his account for report, &c., on Ballinlough proposed Sewerage Scheme.

So far, no steps have been taken to collect either arrears or current water-rent, Castlerea.

Mr. Michael Gunning's contract for Caretaking Ballinlough Pump expires on 30th September, 1925.

I attach arrears list, Frenchpark water-rents, for current half-year, showing £2 to be due.

MINUTES of Proceedings of the Rural District Council, acting as the Authority, under the above mentioned Acts, at a Meeting held on Saturday the 12th day of September 1925.

PRESENT:—In the Chair, P. J. Jordan

Other Members:— (7 others: see Miscellaneous Minutes).

Letter dated 10/8/25 (No. H.59/139/8/25) read from Ministry of Local Government, referring to Minutes of 9/5/25, and stating that, in deference to Council's wishes, they are prepared to approve of cottage rent collector Sicke being retained in office until 30th September next. It should be clearly understood, however, that unless considerable improvement is effected by that date in the rent collection, they will not be prepared to consider any proposal for the further continuance of Mr Sicke's employment. At the same time they draw attention to the Auditor's report on Council's accounts for half-year ended 31/3/25, and inquire how the question of this collector's sureties stands.

The Clerk reported that, as directed at last meeting, he had written to Mr John Sicke, cottage and water-rent collector, to submit names and addresses of two solvent sureties willing to join him in a bond for his rent collections. Mr Sicke has not complied with this order.

Order: Copy of the above letter from Ministry to be sent to Mr Sicke, with a request that he will, without fail, submit two sureties' names for next meeting.

Letter dated 15/8/25 read from Michael Banks, applying to be made tenant of labourer's cottage No. 33, Ballacahir, on the ground

ground that the existing tenant does not need it.
Order: Cottage not vacant.

Patrick King, tenant of cottage No. 201, Corkeagh, wrote under date 17/8/25, that he objected to the drainage of the plot of the adjoining tenant being carried through his (Kings) plot.
Order: Referred to Mr Leech, Engineer.

In pursuance of Notice of Motion given by Mr Edward Moran on 8/8/25, it was proposed by Mr E. Moran, seconded by Mr P. J. Waters, and unanimously resolved: That the resolution of the Castlerea Rural District Council on 13th June, 1925, appointing Michael Kenny as tenant of the labourer's cottage and plot No. 45, Rathnalulleagh, be rescinded, and that John Keane be appointed tenant of said cottage and plot.

The Clerk reported that, owing to Mr James O'Grady's failure to carry out contract for repairs of labourers' cottages No. 35, Leamore; 28, Ballymaglancy; and 45, Rathnalulleagh, a loss of £29:12:10 has been incurred in having the work done by other contractors.
Order: Solicitor to apply to Contractor and sureties for payment of amount of loss incurred.

Tenders were invited for this day for repairs of labourers' cottages. The following, being lowest, was accepted:-
No. 5A, Gortnagayne: John Mulvihill, at £10:10:0.

The repairs of the following cottages, for which the Board have failed to secure Contractors, to be given into the hands of Mr Leech, Engineer, to have repairs carried out at amount not exceeding his estimate: Nos. 12 & 33, Cultybaa; 232, Kilcolman.
