COPY OF MINUTES of Proceedings of the Castlerea Rural District Council, in relation to matters other than those under Public Health and Labourers Acts, at a Meeting held on Saturday the 6th day of December 1913

PRESENT—In the Chair, J. Fitzgibbon

Other Councillors:— P. Coury, M. J. Sweeny, P. J. Waters, J. Connor, M. H. Grogan, P. Kenny.

The Minutes of the last Meeting were read and signed

No 53,089: 23:10:13. Ballaghaderreen Electric Lighting:- Stating that they have received the report of their Engineering Inspector, Mr. Price, on the Inquiry held by him into the application of the Council for Sanction to a loan of £1100 for the purpose of providing additional generating plant.

The proposed improvements include the provision of a 50 H.P. turbine on the Lung Canal 2 miles distant from the present power station. From these new works it is intended to transmit the current by overhead wires to the existing Station.

The undertaking, it is anticipated, will in the future be further developed, but apparently no provision is made for this in the proposed Water-driven plant. To increase the Capacity of this plant by 50% would not greatly add to the initial outlay, but if it were found necessary to increase it after it was installed it would involve a much greater expenditure

On this point they refer the scheme back to the Council for re-consideration. Consent of the Board of Trade should be obtained to the Construction of a new generating Station, and to the erection of overhead wires.

LABOURERS (IRELAND) ACTS.

(46 & 47 Vic., cap. 60, &c.)

MINUTES of Proceedings of the Rural District Council, acting as the Authority, under the above-mentioned Acts, at a Meeting held on Saturday the 10th day of January 1914

PRESENT:—In the Chair— J. Fitzgibbon.

Other Councillors:—

Mr. C. F. Kelly, Inspector, Congested Districts Board: re use of Quarry and
8 : 1 : 14. gravel-pit for labourers cottages to be erected at Lisdalway
under Direct Labour. Stating that the Board are not
in a position to grant the use of this quarry, but that
he will write again in the course of a week or two

V Received

Mr. J. Silke, Cottage Rent Collector: Reporting that Mr. H. Casserly, Contractor,
10 : 1 : 14. will supply gravel, free of charge, to the Arm Cottages,
provided the Council procure Cartage from pit

V Workhouse Cart to convey gravel

Mr. H. Casserly, Contractor: Submitting letter which he received from
10 : 1 : 14. Mr. Robins, Engineer, asking for a fee of £25. before he
will inspect the 14 labourers Cottages for which Mr. Casserly is
Contractor, and returning Cheque for £2. forwarded to him
by Mr. Casserly. He (Mr Robins) states that, according to
agreement, he is entitled to a fee of £1. per cottage for
each visit after the 6 months limit for competion has
expired. Since the Contractor was notified of the Engineers
intention to enforce the clause in regard to his fees
these Cottage (14) have been inspected three times, and
he (Mr. Robins) would not have done so only that
Mr. Casserly promised the Council to pay his fees, a
promise he did not keep. The Contractor Mr. Casserly
Considers the Engineers claim unreasonable, and states
that he could Counter charge £28 for marking out the
sites of 14 Cottages, work that should have been done by
the Engineer. He could also claim £30. for drawing plans
of fifteen Cottages, viz; two in Main Street, Castlerea, and
thirteen on Church-road, Castlerea

V The Council have had before them Correspondence between Mr. Casserly,
Contractor, and Mr. Robins, Engineer, and have come to the Conclusion that
Mr. Robins's demand for £25 for inspection is most unreasonable
and they wish to point out to Mr. Robins, that according to

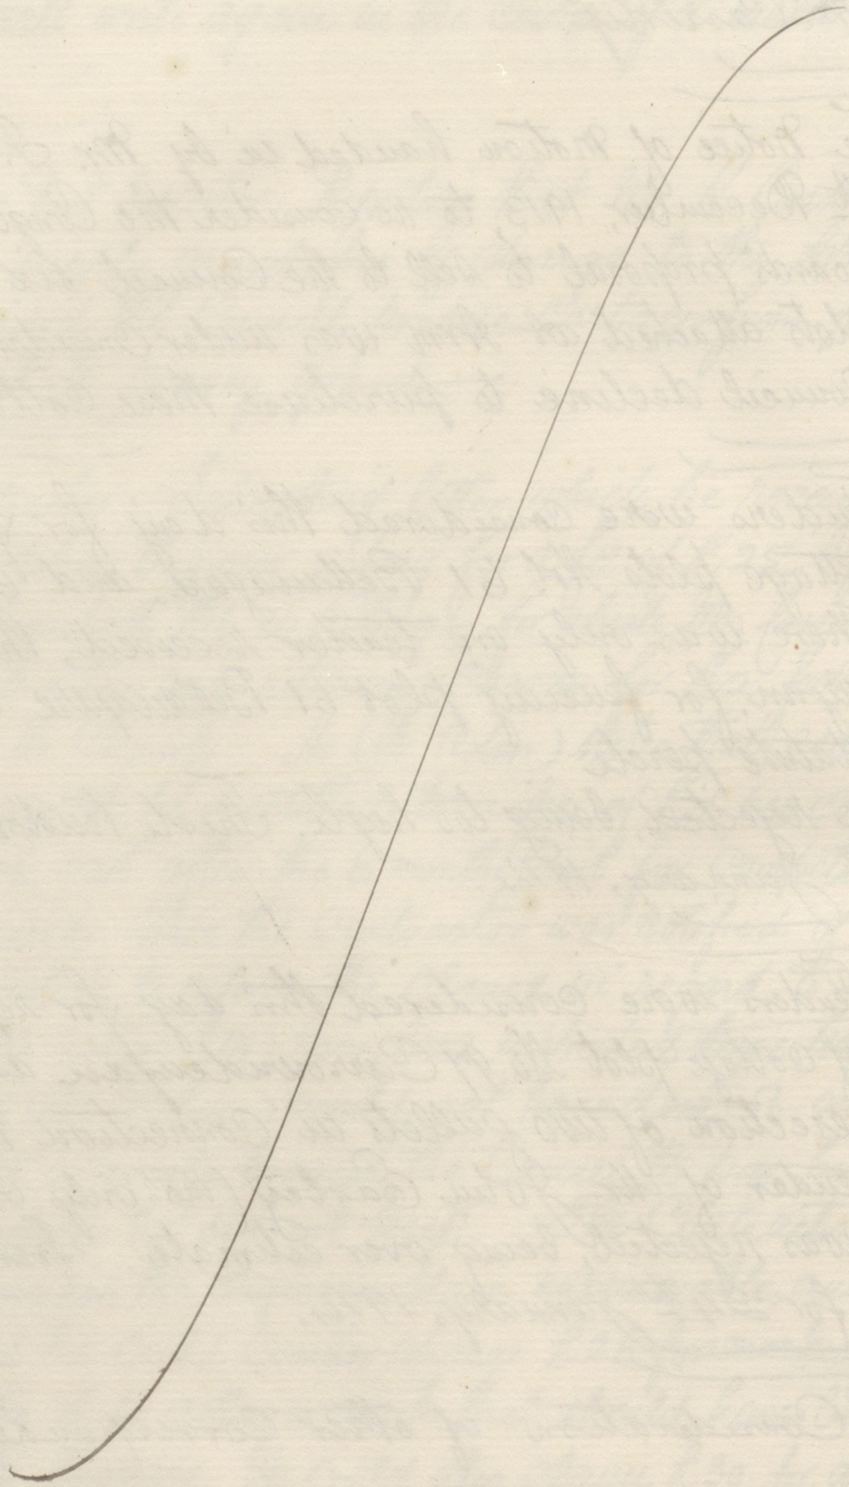

Article 51 of the Labourers (Ireland) Order, 1906, (which was in force at the time of his appointment). six visits to each cottage during Course of Construction are obligatory on the Engineer, and they therefore request Mr. Robins to re-consider his demand on Mr. Caserly.

The Notice of Motion handed in by Mr. J. Fitzgibbon on 6th December, 1913, to re-consider the Congested Districts Boards' proposal to sell to the Council six cottages and plots attached at Arm was under consideration this day

21:1:14. on 20th January, 1914. The Board of Trade's letter of 8th
November, 1913, was before the meeting when the following
resolution was agreed to unanimously:- That the Meeting
desire to point out that in no case, as far as they are aware
is the danger from uninsulated service lines such as is
represented, unless, indeed, individuals deliberately and
designedly wish to place themselves in danger - a thing
that is very unlikely; and, as evidence of this, although the
installation is now for some years in existence, there has never
been the least intimation of danger from any individuals
in the town - Consumers or otherwise. The Committee, therefore
desire to point out, that as no serious danger exists, they
consider it rather hard to have to overhaul the whole System
of

of house-services. At the same time, they are quite prepared, in all future cases, whether of renewing old services or making new ones, that insulated wires be used. They therefore respectfully ask the Board of Trade to be satisfied with this assurance.

(46 & 47 Vic., cap. 60, &c.)

MINUTES of Proceedings of the Rural District Council, acting as the Authority, under the above-mentioned Acts, at a Meeting held on Saturday the 21st day of Febuary 1914.

PRESENT:—In the Chair—

Other Councillors:— J. Corry. (1+10=11).

Mr. J. F. Robins, Engineer: re. marking out sites of fencing for contractors:
10:11:13. Asking the Council to define the duties of Mr. Leech, Clerk of Works, as he (Mr Robins) is not to blame for plots not being marked out.
VV The Council consider it is the Engineer's duty to mark out sites of plots.

Mr. M. J. Leech, Engineer: re. plan and specification prepared by him for one-storey
5:12:13. Cottages in Scheme 5: Asking for payment of a fee of £4. 4. 0, as his plan and specification were used by the Council in another scheme.

Mr. Thomas Kennedy, Contractor:. Cottage No 10, Sheepwalk: asking for an
5:1:14. extension of time for completion of this cottage
VV Received.

Mr. H. Casserly, Contractor. Stating that barrels are required for the nine Cottages
30:1:14. VV Read

Mr. J. F. Robins, Engineer: Reporting that practically nothing has been done by Contractors for Cottages since last inspection, and little effort made to remedy the defects. He would wish the Council to recommend a competent foreman to carry out their order of 6th December, 1913. The materials and workmanship in many instances are of the worst description. He finds it difficult to work the Direct Labour Scheme. The prices looked for are unreasonable, and the prices of building materials have increased. The Church Road, Castlerea, cottages will average £150. each when all are completed. The four built cost more, but there are extras on those which can be saved on those yet to be built. The cottages in the rural portions of the District can be built at the limit. By the 1st April next, he hopes to have the Scheme in a fair way, if the Council consider it well to continue. He suggests that the cottages at Killerr and Tumaviagh, now under contract, should be built by Direct Labour. VV Adjourned.

5:2:14.

Mr. A. Connaughton: Proposing to give £1-2-6. for the four ash trees on the Cottage plots, Nos. 200 & 201, Corkeagh.

Mr. J. F. Robins, Engineer: Recommending the Council to accept Mr. A. Connaughton's proposal of £1-2-6. for the ash trees on plots Nos. 200 & 201 Corkeagh.

16:2:14.

VV Received.

Mr. Tim Kenny: Surrendering his claim to the labourers cottage and plot No 128A, Lisalway, as his cottage would be too far from his work. VV Accepted.

17:2:14.

Mr. Wm. Kelly: Applying to be made tenant of cottage and plot No 99 Carrowndangan, as the original applicant Thomas Connor, is in America since 1st May last.

LABOURERS (IRELAND) ACTS.

(46 & 47 Vic., cap. 60, &c.)

MINUTES of Proceedings of the Rural District Council, acting as the Authority, under the above-mentioned Acts, at a Meeting held on Saturday the 7th day of March 1914

PRESENT:—In the Chair— P. Coury

Other Councillors:—

Mr. Thos. Egan, Castlerea: 3:3:14. Stating that Mr. Gallagher, D.C., deserves to be congratulated on his motion re direct labour cottages, and that he should enquire also what the loss is on account of the cottages not being built.

VV Received.

Mr. J. F. Robins, Engineer: 6:3:14. Stating that he sees by the "Westmeath Independent" that Mr. Casserly, Contractor, is prepared to hand over the keys of the Rusheen cottages, and he has also seen the remarks of the Council on the matter. Mr. Casserly does not say if he is prepared to hand over the horses, cows, pigs, &c., that are in occupation of some of them. He (Mr Robins) thinks Mr. Casserly has led the Council to believe that he and other contractors are very badly treated. Reports are appearing in the Press, time after time, of the discussions at the meetings which are scarcely fair to him (Mr Robins) and he must make some defence, as he has offered, on a previous occasion to accompany a Committee of the Council to inspect the houses and see for themselves. He does so again and he suggests that they might inspect the ~~houses~~ Direct Labour cottages and those at Rusheen and Ballyfinegan, so that all sides of the argument may be heard, and if the Committee decide against him, he will willingly certify for payments. Stating that he has repeatedly reported the fact of contractors ignoring his instructions, and the Council seem to take no action in the matter. He refers the Council to his previous reports in the matter. None of the Rusheen cottages was fit for human habitation on 24th January, 1914

VV Adjourned.

The following resolution was passed unanimously, in pursuance of notice handed in by Mr. M. Gallagher on 2nd February, 1914:- Proposed by Mr. Gallagher, seconded by Mr. D. Keaton, and unanimously resolved: That each Councillor be supplied with the following figures in connection with the cottages being built under Direct Labour. (1) The amount paid

for each cottage completed under the scheme. (2) The amount allowed under the scheme for the erection of each cottage (3) The amount paid under each ~~head~~ of the following heads :- (a) The amount paid to Engineer and for Supervision (b) amount paid for material (c) amount paid in wages.

That the Council consider the question as to how the extra expenditure if any, is to be borne.

Vr Particulars under above heads to be forwarded to each Councillor. Consideration of extra expenditure adjourned.

The application of William Kelly (adjourned from meeting on 21st ultimo) to be accepted as tenant of cottage and plot, No. 97, Carrowndangan was under consideration this day, and the following notice of motion was handed in by Mr. E. Hayden:-

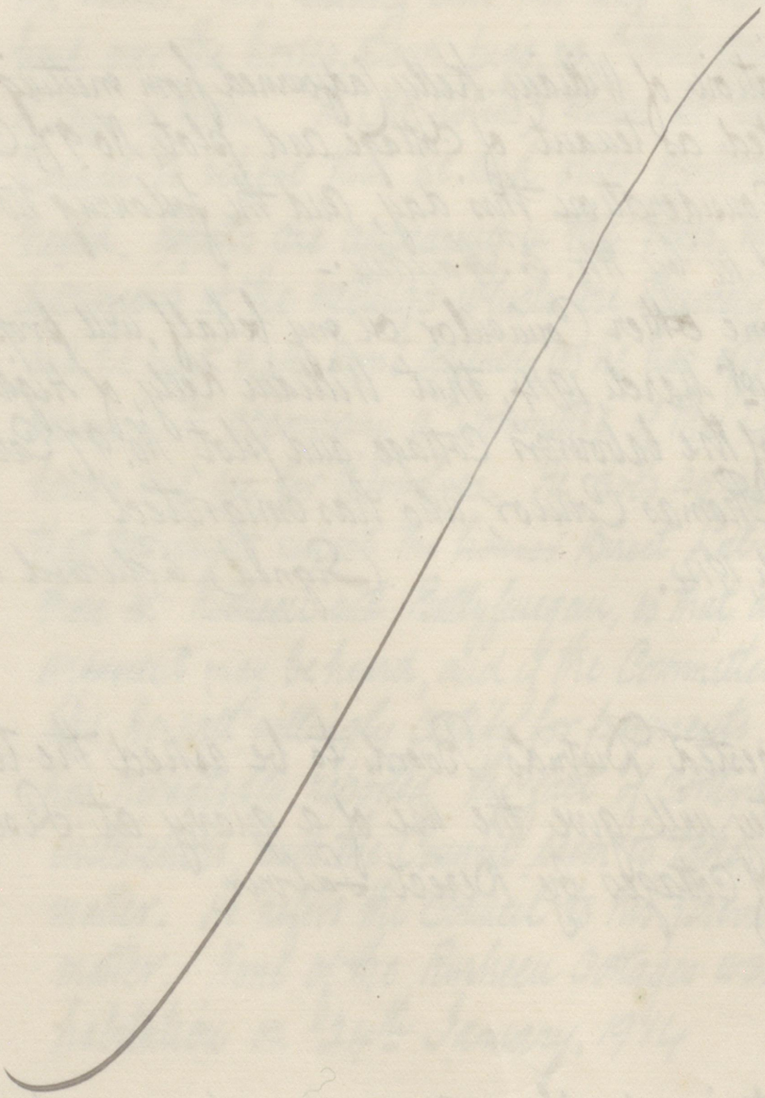

I, or some other Councillor on my behalf, will propose on this day fortnight, 21st March, 1914, that William Kelly, of Highlake, be accepted as tenant of the labourer's cottage and plot, No. 97, Carrowndangan, instead of Thomas Connor, who has emigrated

LABOURERS (IRELAND) ACTS.

(46 & 47 Vic., cap. 60, &c.)

MINUTES of Proceedings of the Rural District Council, acting as the Authority, under the above-mentioned Acts, at a Meeting held on Saturday the 14th day of March 1914.

PRESENT :—In the Chair— J. Fitzgibbon

Other Councillors :— (12+1=13)

Messrs M.E. Sweeny, D. Creaton and John Egan, District Councillors, submitted the following report, dated 14th February, 1914, on the Labourers Cottages on Church Road, Castlerea:-

We consider the two Cottages which are nearly finished to be extremely nice cottages, except part of the wood-work, which could be done more neatly. There are four cottages in a forward condition We recommend that the eave-runs and down-pipes on the No. 1. row be seen to at once as they are injuring the houses

VV Approved.

A letter signed by Rev. M. Conlon C.C., and fourteen other ratepayers, was read at the meeting this day, drawing the Council's attention to the fact that when the four labourers' cottages are built in Kilvoy, the refuse from them will pollute the water of the Spring Well on the farm. VV Received and noted

Mr. Thomas Lavin: Resigning his claim to the Labourers cottage, No 126B. 11:3:14. Lisalway.

VV Resignation accepted

The following Notice of Motion was handed in by Mr. James Durkin:-

I, or Some other Councillor on my behalf, will propose, on this day fortnight, 28th March, 1914, that Denis Finan, of Lisalway, be accepted as tenant of the Labourers Cottage and plot, No 126B Lisalway.

14th March, 1914. (Signed) James Durkin

VV Received.

Messrs Connolly Brothers: Stating that on 1st November, 1912, they sent in an estimate 14:3:14 for supplying timber, slates, &c, to the Direct Labour Cottages at Knockmurry, and Termonmore, according to list sent to them by Mr. Robins, Engineer, which was not accepted, though, on comparing their prices with accepted prices (which they did a few days ago before the Auditor and the Engineer) they were cheaper, and

furthermore in some instances the sizes of some of the scantlings were changed, such as rafters, which were to be (according to list) 5½" x 1½", and the rafters supplied were 4½" x 1½". They were not informed whether it was optional to supply 4½" x 1½" or 5½" x 1½", as it would mean 11/3d off their Estimate if they could supply the former size scantlings so they think, in all justice, that the prices accepted and the prices they gave should be compared, and then it will be seen that the contract prices (if they were such) were ignored altogether) and the ordinary or retail prices charged and paid for instead. Further, according to the Engineers vouchers, the Cottages built singly are £10. 5. 0½ less per cottage than the cottages built in blocks, which was done in Knockmurry. This, they think, would be impossible, as they have a little experience in this respect. In fact, it should be the other way about, as cottages built in blocks come cheaper than those built singly, as in the former case there would be a saving in materials and workmanship. They ask to have the matter investigated

VV Mr. Robins, Engineer, to be asked to attend the meeting on 28th March, 1914, to explain the charges made in this letter, and to bring tenders with him.

Mr. Patrick Lyons: Asking for permission to till cottage plot 61, Bellanagare, 14:3:14. for which he is applicant.

VV granted.

A Committee of the Council to be appointed on 28th March, 1914, to visit the Labourers Cottages yet unfinished, with Mr. Robins, Engineer, and report thereon.

Mr. Leech, Engineer, to have the following Cottages on Church-Road, Castlerea, repaired by Direct Labour, Mr. Sweeny, DC, to point out what is necessary to be done:- Michael Scott's, P. Conlons, and John Kilroy's. Repairs also to be done to water shoots and down pipes.

The proposal of Joseph Moore for the meadow on cottage plot No 46, Kilroy, for the Season 1914, was accepted at 18/-
Proposals received from Michael Durr and Peter Kane, for the meadow on the Kilroy plots, were marked "Read"

Messrs McDonnell & Co, Solicitors: Thomas Jennings malicious injury claim:
26: 3: 14. The County Court Judge allowed £20. Compensation and 10/- expenses and costs, to be levied off the Kiltullagh Electoral Division. The Judge reserved his decision in Cunningham's claim until Boyle Sessions. Honor Don's & Mrs Quinn's claims: Both these claims, which are in respect of the same injury, were adjourned to next Sessions, Honor Don's Solicitor undertaking to institute such proceedings as he may be advised to prove his title to the premises destroyed. The Council were allowed £1.1.0. Costs and 10/- expenses against the Honor Don. They think it would be useless to appeal in Jennings claim, as three witnesses proved that they saw a person, whom they could not identify, setting fire to the hay. In Blake Kelly's Claim, £78. Compensation was allowed, with £1.11.0. for expenses and Costs, to be levied off the Divisions of Ballintober and Ballymoe situate, respectively, in the Counties of Roscommon and Galway- half to be levied off each Division. Knockmurry: Stating they still maintain that the prices paid for timber, slates, &c, are higher by far than their estimate, and therefore must be higher than the Estimate Mr. Robins says he hold. They now give the Council the option of going into the figures accurately and insist on Mr. Robins producing the estimate and comparing the prices with the vouchers he has signed for payment, unless this is done within the next fortnight or three weeks, they will ask the Local Government Board to hold an inquiry into the matter. On Saturday last Mr. Robins had to admit that the figures he gave for above Cottages were not correct, and that he has put portion of the cost against the Church-road Cottages

will be £163. The Committee, therefore, request the Council to make application to the Local Government Board. for sanction to a loan of £1263. instead of £100, as at first applied for. Special Meeting this day to consider Local Government Board's Circular Letter of the 12th November, 1913 (consideration of which was adjourned from the meeting on 10th January last) Suggesting to Rural District Councils the advisability of formulating Scales of Salaries for their officers. √√ To be considered by Committee already named at Guardians' meeting.

In pursuance of Article 10 (2) of the Schedule to the Local Government (Application of Enactments) Order, 1898, declaring the office of Rural District Councillor for the E.D of Buckill vacant, there was a meeting held this day to fill said vacancy by Co-option

It was proposed by Mr. M.G. Sweeny and Seconded by Mr. James Gordon, that Mr. John Gordon of Boho, be Co-opted as District Councillor to represent the Division of Buckhill.

It was proposed by Mr. M. H. Grogan and Seconded by Mr. Thomas Lavin, that Mr. Michael Coleman be Co-opted to represent Buckhill.

On a Poll being taken Mr. Coleman was elected by 18 votes to 14 recorded for Mr. Gordon.

Received a communication signed by Pat Dowd and 7 others requesting the Council to Co-opt Mr. Coleman ~~to be Co-opted~~ as Councillor for Buckhill ED. √√ Received

Proposed by Mr. B. J. Moraham
Seconded by Mr. J. Egan

That we the members of this Council, earnestly appeal to the Local Government Board to amend the Law with regard to repairs of bye-roads by giving option to District Councillors in the expenditure of the money allotted to their Division being in most cases deprived of expending such money to the best advantage for the ratepayer, and we consider the roads in most cases ending in bogs where the majority of ratepayers and the public in general are accommodated most essential and deserving of having public money expended on them. Fuel being the mainspring of the industry of our country in cooking for Swine and other animals in preparing them for the markets consequently if the tenant farmers who are the principal ratepayers fail in securing this most valuable and expensive crop they will be unable to meet with those demands ~~incumbent~~ on them

Proposed by Mr. J. Egan
Seconded by Mr. P. J. Waters, and passed in silence :-
That we the members of the Castlerea District Council, tender to Mrs. Betagh, of Corlis, and to our esteemed colleague, Mr. D. Fitzmaurice, of Ballinlough, our very sincere sympathy on the occasion of the death of his father-in-law, Mr. Edward Betagh, a member of an old and esteemed family long resident in the Rural District.

Special Meeting held this day to consider Local Government Board's letters of 2nd August, 1913, and 11th June, 1914, requesting the Council to divide Faorymount New Burial Ground into parts for the Burial of Members of any particular Religious Denomination, and to fix a Scale of Fees for Interments.

VV Referred to Father Monaghan, P.P.

Next Meeting of the Rural District Council to be held on Saturday the 18th day of July 1914
