Tom Norton

(Tom Norton was born in Roscommon Town and lived on Claw Inch (Claunch) Island on Lough Ree on the Shannon in the late 1940's. Later he went to school in Galway. He now works in Hampshire, England, as a freelance indexer).

The definite and indefinite articles are ignored in the alphabetical arrangement but are not inverted. For example, 'The Famine' will be found under 'F'.

The form of reference is volume number, followed by the page number. For example, '7.13' is a reference to volume number 7, page 13.

Volume/year numbers are as follows: 1=1986, 2=1988, 3=1990, 4=1992, 5=1994, 6=1996, 7=1998, 8=2000, 9=2002, 10=2006, 11=2009, 12=2013, 13=2016, 14=2019, 15=2024
