## FORM DWWTS PAA (a) 2025

### APPLICATION FORM

**Works for the remediation, repair, upgrade or replacement of a Domestic Waste Water Treatment System (DWWTS) in a Prioritised Area for Action, where a person has received a letter from the Local Authority Water Programme Office (LAWPRO) confirming eligibility to apply for a grant.**

- Please read the information notes before completing the application form.
- All questions on the form must be answered and where specified, supporting documents must be provided. Incomplete forms, or those which are not accompanied by the appropriate documents, will not be processed.
- Work must NOT start before the local authority or its representative's visit. If work has started before that date, the application will not be considered.
- The grant scheme is administered by local authorities. Any enquiries should be addressed to the local authority's Rural Water Liaison Officer.
- All forms to be used can be obtained from the local authority, who will provide assistance with completing them, if required.
- In respect of an applicant receiving grants, subsidies or similar type payments from a Government Department or Public Authority that have a total value of more than €10,000 during the year, you will need an e-Tax Clearance certificate
- The local authority reserves the right to make any necessary enquiries to verify information or for clarification of supporting documents provided with a grant application. An application that includes false or misleading information or documents will not be approved for a grant.
