Roscommon Community Integration Forum

The Roscommon Community Integration Forum has been established in Roscommon to enable various organisations and agencies at a local level, to work together in the delivery of services for Ukrainian refugees, IP applicants and those with status including the IRRP, relocating to Co. Roscommon. The Forum consists of key local service providers and agencies whom together, are collectively supporting this process.

This service catalogue is intended to be a useful resource to enhance your knowledge on key local services in the county.
